

My child has symptoms of Covid-19

- Keep your child at home  
- Book a PCR test at one of the government's testing sites  
- Tell your school the result of this test as soon as possible  
- If positive, everyone in your household must isolate for 10 days

Has your child had a positive lateral flow test?

- Keep your child at home  
- Let your school know as soon as possible if the test was done at home  
- Book a PCR test at one of the government's testing sites within 48 hours to confirm the result  
- Everyone in your household must isolate for 10 days and take a PCR test at a government testing site

Is the test negative or unclear?

- Report the result on the website given with the test  
- Attend school as normal

Take another test

Was your child's PCR test positive or negative?

- Tell your school as soon as possible  
- Your child must isolate for 10 days

- Your child can return to school as normal
